

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

Gerald Boulanger

v.

Case No. 07-cv-301-PB

United States of America

ORDER

**Re: Document No. 25, Motion for Certificate of
Appealability**

Ruling: The request for a certificate of appealability raises no new issues. I carefully considered defendant's arguments and explained my conclusions at the conclusion of the hearing. Reasonable jurists would not disagree with my rulings. The defendant has not made a substantial showing of the denial of a constitutional right. The court reporter shall prepare a transcript of my oral ruling and the transcript shall be added to the docket. Motion denied.
